## BEFORE THE BEGINNING EBOOKS 2019

Author: Sam Graham

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

Back in the late 1970s, Sam Graham wrote an authorized history of Fleetwood Mac. Now, more than 35 years later, he has taken his original materials — not just text, but also clips from Sam's audio interviews with the musicians and others, along with letters, promotional materials, new artwork, and other visuals — into the digital age and created an interactive, multimedia experience that offers fans an inside look at this legendary band, still going strong nearly 50 years after its formation.
