IF YOU'VE ALWAYS WANTED TO LEARN HOW TO PLAY THE DRUM SET, THIS BOOK IS FOR YOU! BEGINNING DRUM SET will help you learn the three basic beats most common in popular music today. The lessons are the words and the visuals one would say and show a beginning drum set student. Even without a drum set, start with the easy-to-master approach to learning the 2-4 (two-four) beat. Understand and practice that beat to perfection, and the other beats should come with time (pun intended). With the 2-4 beat mastered methodically, the more popular 4-4 (four-four) beat will be easier to grasp. The graphics, video links, and step-by-step approach guide the drummer toward mastery of the basics. Now, "Hit it!"
